**MEMORANDUM**

**FOR :** FRANCIS RANDY J. HORTELANO  
*Manager, Corporate Planning Department*

**FROM :**  **HERNANDO A. ENAL**  
*Manager, TEZ Assistance and Monitoring Department*

**SUBJECT :** TAMD Office Performance Commitment and Review (OPCR)

**DATE :** 14 January 2021

Relative to your memorandum dated 11 January 2021 pertaining to your evaluation of our 2020 OPCR, we would like to clarify that the our departments commitment for the period Jan-June 2020 was the submission to the ACOO of at least one (1) endorsement to the Board of identified infrastructure project within a FTEZ.

Further, the FTEZ of San Vicente, Mt. Samat and Rizal Park put inside a parenthesis to identify the which FTEZ the infrastructure project may be located considering that the Bucas Grande FTEZ has just been recently delisted by the Board and the Panglao Bay Premiere FTEZ is operated and managed by our private partner who committed to undertake most of the developments in the area.

Furthermore, we have to properly evaluate and strategically plan the identification of projects within our FTEZ, thus only the STP project in San Vicente was endorsed to the Board for the above period. This is in consideration that the above project is the most urgent and essential to the development of the SVFTEZ. Considering further, that the Rizal Park Complex FTEZ's operator is the NPDC and that there are already several projects for implementation for RPC by TIEZA, while for the Mt. Samat FTEZ, a Transfer of Fund (TOF) arrangement with the Provincial Government of Bataan is being undertaken for most of the infrastructure projects for the FTEZ.

Thus, in the exigency of service and exercise of prudence, we cannot force the identification of infrastructure projects for all FTEZs.

We hope that we have sufficiently clarified our commitment targets and accomplishments as stated in our submitted 2020 OPCR and that the Human Resource Division is notified of my compliance with the requirement to submit the OPCR.

Thank you
