FROM : **THE MANAGER**  
*Business Development Department*

SUBJECT : **DEED OF DONATION OF DALAGUETE BEACH PARK**

DATE : June 2, 2021

---

This refers to the inclusion of the Dalaguete Beach Park in Anglo Archers Assets Corporation's (AAAC) unsolicited proposal submitted to the Joint Venture Selection Committee.

May we kindly request for a legal opinion on the legal considerations in evaluating a possible Joint Venture with AAAC or any other proponent over Dalaguete Beach Park in view of the conditions stated in the Deed of Donation between TIEZA and the Donor over the same property. Further, what are the parameters that we can work on to allow a private sector to operate and manage the Dalaguete Beach Park without contravening any conditions of the Deed of Donation.

For your appropriate action, please.

Thank you.
