Dear Ms. Soriano:

May I ask for your kind consideration to consider and validate my whole-day attendance on October 28, 2020 (Wednesday). I am accessing the Online Attendance to log out around 8:59pm but the internet connection failed and the logout button was disabled by 9pm.

I attended tasks in the afternoon dealing with the Pre-planning documents and IPCR submissions. Attached are photos/ email/screenshots of conversation with Strategic Planning Officers as proofs of my attendance in the afternoon of October 28.

Hoping for your consideration in these trying times. Thank you very much.

Sincerely,

Sherryl Dalida
