**Attention: ALL TIEZA Employees**

Please be advised that we will be migrating our existing virtual private server (cloud server) to a new one with a higher capacity on November 13, 2020 (Friday) from 9:00 p.m. onwards. Migration process will be completed within 24 hours. Hence, we will be experiencing downtime in accessing all our online application systems, official websites and email system.

We apologize for any inconveniences these may have caused you. Rest assured that MISD is taking necessary action to expedite the process. We will inform you once our server is available and operational.
