Dear Mayor Alvarez:

We hope this letter finds you in good health amid the current state of public health emergency.

Republic Act No. 11469 or the "Bayanihan to Heal as One Act" authorizes the President to exercise emergency measures to address the COVID-19 pandemic. In relation thereto, the President has ordered the discontinuance of appropriated programs, projects or activities in the FYs 2019 and 2020 General Appropriations Act, and likewise ordered the allocation of funds held by TIEZA, as authorized under Sections 4(v) and (y) of Republic Act No. 11469, to address the COVID-19 emergency.

Pursuant to the said law, TIEZA remitted Twelve Billion Pesos (₱12,000,000,000.00) on 06 April 2020 to the Bureau of Treasury towards the implementation of emergency measures to contain the spread of COVID-19, as well as to provide assistance to cushion the impact of severe disruption of economic activities.

In light of the foregoing, the TIEZA Board of Directors and TIEZA Management have issued an order temporarily suspending the implementation of the following support infrastructure projects in San Vicente Flagship Tourism Enterprise Zone (TEZ):

INFRASTRUCTURE PROJECT	BOARD APPROVED BUDGET (PHP)
Construction of TIEZA Field Office Driveway and Parking's Perimeter Development, San Vicente, Palawan	12,117,120.00
Port Barton Development Project	52,063,360.00
Construction of Modular Docking Facility, Sitio Pinagmangalucan, Brgy. Poblacion San Vicente	11,429,112.51
TEZ Flagship, San Vicente, Palawan, Water Supply and Distribution	242,550,000.00
TOTAL	318,159,592.51

Once the situation allows it, the TIEZA Management will reinstate and pursue the implementation of the abovementioned projects, subject to its guidelines.
