15 September 2020

ATTY. OSCAR S. MORENO

City Mayor
Cagayan de Oro City

Dear Mayor Moreno,

Thank you for your letter dated 3 September 2020 requesting DOT/TIEZA to forego charges in the use of the Gardens of Malasag Ecotourism Village (GMETV) as temporary quarantine facility for health workers of the City's public and private hospitals, and to some extent the returning overseas Filipinos and the locally stranded individuals (LSI).

As our contribution to the City and your administration efforts to fight the COVID 19 pandemic, and in response to the spirit of the Bayanihan Heal as One Act, the use of the Gardens of Malasag Eco-Village as temporary quarantine facility was committed. TIEZA employees will serve as support team to the LGU and medical staff in the forefront of the quarantine operation and management.

Please be informed that we approve to your offer to install a new water line from a reliable water source to GMETV (some two kilometers away) through the Cagayan de Oro Water District (COWD) within 2020 in consideration for the use of the GMETV rooms and other facilities until December 2020.

Rest assured that DOT and the TIEZA will continue to support and cooperate in your fight against this COVID 19 pandemic.

Sincerely,

POCHOLO D. PARAGAS

Chief Operating Officer
