Dear Mr. Lapid,,

Greetings from the hardworking people of San Fabian!

In view of the imminent turnover of the San Fabian PTA Beach Resort (PTA) and the Bagong Lipunan Lodge (BLL), it is with deep regret that we failed to observe our obligation as stipulated in the MOA.

It is in this regard that we now asked for a moratorium on the scheduled joint inventory which your team may conduct to formally turn-over such facility. These are for the following reasons to wit:

5. The said resort is being used as a quarantine facility since day one(1) when our first COVID-19 case was reported/diagnosed;
6. To date, our LGU have recorded **235** COVID-19 positive cases, and all close contact specially the families of such patients are housed in the said facility for 14-days or until cleared by our Municipal Health Officer;
7. There are 9 personnel who are diligently working 24hrs to ensure that these quarantined individuals are given the utmost humanitarian need but will be displaced as a result of the turnover;
8. There are 9 ground personnel who will also be displaced and such displacement is very untimely due to the present pandemic.

At present, the LGU is under way to finishing its RHU 3 building. It will also serve as our quarantine facility when finished and when fit to receive individuals with suspected signs, asymptomatic individuals and closed contacts of COVID-19. Hence, we most urgently appeal that you delay the joint turnover.

Thank you for considering our appeal. Rest assured of our continued support to your office.

Mabuhay po kayo!

Very Respectfully Yours,

**CONSTANTE B. AGBAYANI**  
Municipal Mayor
