DATE : **18 May 2021**

Relative to the upcoming Special Meeting of the Philippine Investment Promotion Plan – Technical Working Group (PIPP-TWG) on the Proposed Harmonized IT Platforms among the Investment Promotion Agencies (IPAs) to be hosted by the Board of Investments (BOI) on 20 May 2021 at 1:00 PM via Zoom platform, we are respectfully endorsing the email request of the BOI for the presence of our IT personnel in charge of the Agency's existing online platforms.

With the recent enactment of the Corporate Recovery and Tax Incentives for Enterprises Law (CREATE), the PIPP is proposing for a harmonized IT platforms among the IPAs in line with the implementation of the online registration platform on CREATE which is currently being developed by the Department of Finance (DOF).

As TIEZA may not currently have an intended online platform for the abovementioned, we strongly recommend that you or your representative from MISD attend the said meeting to have an idea of this future online platform and other related automation processes.

Registration for the meeting can be done via the following link:
