SUBJECT : PROMOTION OF A SAFE AND HEALTHY ENVIRONMENT AT THE
CLUB INTRAMUROS GOLF COURSE (CIGC) AND ZAMBOANGA
GOLF COURSE (ZGC)

DATE : 12 October 2021

The Assets Management Sector (AMS) aims to continuously promote a safe and healthy environment in our operating assets, i.e., Club Intramuros Golf Course (CIGC) and Zamboanga Golf Course (ZGC) by way of strictly enforcing player guidelines and protocols and pursuing safety enhancement measures to ensure that our stakeholders - the players and golf course service frontliners are protected from the COVID-19 virus.

As an initiative of the AMS to achieve this objective, a COVID-19 antigen test will be administered to all CIGC and ZGC service frontliners who have direct and close contact with the players, for the months of October, November, and December 2021. Aside from the COVID-19 vaccination, the said test is a reassurance to our customers/clients that their health and safety is TIEZA's priority.

This message will be communicated to our customers on the TIEZA, CIGC and ZGCBP websites and social media. Not only is it a response to the risk mitigation of the spread of the virus but moreover, TIEZA's commitment and responsibility to its customers, service frontliners and the public to ensure a safe and healthy environment at the CIGC and ZGC as well as promote a fun golf experience for the players, moving forward to tourism recovery.

Cost breakdown of the COVID-19 Antigen test for service frontliners is as follows:

Club Intramuros Golf Course	- P 1,000 x 300 pax	P 300,000.00
Zamboanga Golf Course	- P 1,800 x 88 pax	P 158,400.00
