HON. BERNADETTE ROMULO-PUYAT

Secretary
Department of Tourism
Makati City

Through: **MR. POCHOLO D. PARAGAS**
Chief Operations Officer
Tourism Infrastructure and Enterprise Zone Authority (TIEZA)

Dear Secretary Romulo-Puyat,

Greetings!

First of all, please let me profoundly thank you and TIEZA for agreeing to the use of the Gardens of Malasag Eco-Village by the City Government.

We intend to use the Village to quarantine the health workers of the City's public and private hospitals and medical facilities who may have been in close contact to individuals who later on test positive to COVID-19. Also, some of our New Arrivals (i.e. returning Overseas Filipinos and Locally Stranded Individuals) may be quarantined in the Village.

Your generosity in making available the Village for our quarantine program will certainly strengthen our interventions in combating the virus.

In this connection, we are aware that the use of the facilities of the Village is subject to certain charges.

While we understand that you would expect that our use is subject to some payments, we hope that you will favorably consider foregoing these charges in consideration of our shouldering or otherwise answering the cost for the installation of a new line that will connect the Village to a reliable water source some two kilometers away. These costs are estimated to reach Seven Hundred Fifty Thousand (Php750,000.00) Pesos, according to the Cagayan de Oro Water District (COWD), which will undertake the rehabilitation project. We are pleased to inform you that we have already requested the COWD to initiate the rehabilitation project.

I hope that you will favorably consider our above request.

Thank you for your kind attention.

Sincerely,

OSCAR S. MORENO
City Mayor
