The Honorable Mark Lapid
Chief Operating Officer
Tourism Infrastructure and Enterprise Zone Authority (TIEZA)

Dear Sir,

Warm greetings.

I am writing to formalize herewith my appeal for access from inside the Cagayan de Oro Convention Center to my property directly adjacent to the Convention Center.

I plan to build a 50-rooms hotel at this property in anticipation of the opening of The CDO Convention Center. The Hotel will cater exclusively to Convention Center guests. The access will benefit the Convention Center as guests can conveniently move to and from the Hotel and the Convention Center. Convention Center guests also get the added access to the Center from the Hotel Entrance along the road without going to the Convention Center Entrance itself. The amenities of the Hotel will be an added impetus for the public to patronize the Convention Center.

More importantly, granting this access to our Hotel will bind me to the Convention Center. Hence the companies I operate will now be centered on drum beating for the Convention Center. Furthermore, I was recently the Grand Master for all Masons in the Philippines from 2019 to 2021. This stint has expanded my nationwide network which I shall marshal for the Convention Center.

I await your favorable response and attach herewith the maps/illustrations of my planned Hotel relative to the Convention Center for your ready reference.

Sincerely,

AGAPITO S. SUANA, JR.
