MEMORANDUM TO ALL OFFICERS AND EMPLOYEES

#11
Bulautan
11/26

FROM:

ATTY. JOY M. BULAUTAN

Assistant Chief Operating Officer, Administration and Finance Sector

Subject:

Participation to Online Learning Activities

Date:

18 November 2020

Relative to the issuance of Proclamation No. 922 dated March 8, 2020, "Declaring a State of Public Health Emergency throughout the Philippines" and Resolution 10, s. 2020, "Recommendations for the Management of the Coronavirus Disease 2019 (COVID-19) Situation, dated March 9, 2020 issued by the Inter-Agency Task Force (IATF) for the Management of Emerging Infectious Disease, the conduct of face-to-face learning or classroom-based training programs have been suspended. This supports the earlier mentioned proclamation in terms of undertaking appropriate measures to curtail and eliminate the threat of COVID-19 and imposes social distancing measures on mass gatherings.

The current situation, however, shall not impede the implementation of the Authority's Competency Based Human Resource System, and other agencies' memorandum circulars (Professional Regulation Commission, Department of Budget and Management, Commission on Audit, etc.), pertaining to the further professionalization and development of government employees and officers. As such, the attached interim policies and guidelines (ADSD.HRPG.08) are hereby constituted.

For your information.

I. INTRODUCTION

Relative to the issuance of *Proclamation No. 922* dated March 8, 2020, "Declaring a State of Public Health Emergency throughout the Philippines" and *Resolution 10, s. 2020*, "Recommendations for the Management of the Coronavirus Disease 2019 (COVID-19) Situation, dated March 9, 2020 issued by the Inter-Agency Task Force (IATF) for the Management of Emerging Infectious Disease, the conduct of face-to-face learning or classroom-based training programs have been suspended. This supports the earlier mentioned proclamation in terms of undertaking appropriate measures to curtail and eliminate the threat of COVID-19 and imposes social distancing measures on mass gatherings.

The current situation, however, shall not impede the implementation of the Authority's Competency Based Human Resource System, and other agencies' memorandum circulars (Professional Regulation Commission, Department of Budget and Management, Commission on Audit, etc.), pertaining to the further professionalization and development of government employees and officers. As such, the following interim policies and guidelines are hereby constituted.

II. OBJECTIVES

1. Provide employees and officers with technical and/or scientific training in the field of their profession to upgrade their competencies that will ultimately contribute to the Authority's performance;
2. Offer employees and officers with the necessary avenue/s for updates and/or revisions in government rules and regulations;
3. Impart a culture of continuous learning and professional development.

III. Eligibility for Training

Only permanent employees (or those with plantilla items) are entitled to Authority sponsored learning activities. These activities should be in line with his/her present job and/or may enhance the current competency level or address the competency gaps of the employee as identified in the Competency-Based Learning Needs Assessment (CBLDNA).

It is a state policy that employees with permanent positions are given the priority in the selection and nomination of candidates for training. Also, as permanent employees, the Authority can make full use of whatever knowledge/learnings they have acquired on the training programs, conferences and conventions they have attended.

Employees due for retirement may attend programs provided they will be able to fulfill the service obligation as stated in item 6 prior to their retirement date. This also applies to their coterminous staff i.e. technical and executive assistants, secretary and driver, if any. It is expected that during their last year/s in the Authority, they are already in the process of turning-over their functions and therefore may be given least priority in attending to any program.

Further, a career employee whose line of function does not require a license in the performance of his/her job is not eligible for training (e.g. professional teachers appointed in the HRSD or customs brokers assigned as travel tax processors). While the Authority pursues a culture of professional development, there is also the commitment to public interest in the use of all government resources, including taxes transformed into funds, in the most efficient, effective, and honest way possible.

IV. TRAINING PROGRAM EXPENSES

Per DBM National Budget Circular No. 563 dated April 22, 2016, the registration or participation fee in training programs conducted or sponsored by non-government agencies or private institutions shall not exceed ₱2,000.00 per day for each participant. On the other hand, programs sponsored by the Civil Service Commission or other government agencies are not covered by NBC 563, thus, training fees that will exceed ₱2,000.00/ day may still be allowed. Further, the circular refers to training programs as "conducted basically for purposes of sharing, discussing or disseminating ideas or information on the developments in a particular field or fields of interest and/or for common appreciation and resolution of certain issues. It includes, but not limited to, those conducted by professional organizations or groups of common interest where government employees are members".

In cases where the amount exceeds the limit, an employee may request approval for exemption provided that skills and/or technical or management expertise in his/her endeavor expected to be gained or enhanced are in line with his/her functions, and therefore redound positively to the agency.

As much as possible, early registration and sending participants in group is encouraged to avail of discounts.

Only the training program registration shall be charged to the Learning and Development Plan Budget. All other expenses/charges, i.e. internet/data, electricity, processing fees (for bank transfers) shall be shouldered by the employee. In the interest of adapting to online payment channels (e.g., credit card, online banking) and timely submission of after training documents, i.e.,

certificate and report, payment for all online training activities shall be in the form of reimbursement.

Should the employee fail to complete a program in the absence of a valid excuse, he/she is obliged to pay the full amount of the program fee shouldered by the Authority. His/her attendance on that day shall also be deducted from leave credits if any, and if none, will be charged as unauthorized leave.

V. SERVICE OBLIGATION

An employee who has been sent to a training program is obligated to serve for a specified period of time based on the following:

Training Fee and Other Expenses	Length of Service Required
₱20,000.00 and below	6 months
₱20,001.00 – 40,000.00	12 months
₱40,001.00 – 60,000.00	18 months
₱60,001.00 – 80,000.00	24 months
₱80,001.00 – 100,000.00	30 months
₱101,001.00 and above	36 months

In the event of resignation or transfer to another government agency or private entity, remaining service obligation shall be converted to its equivalent cash value and shall be deducted from the employee's last pay. The service obligation shall commence on the 1st working day after the completion of the training program. For computation purposes, one (1) month is equivalent to 22 working days.
