Subject : SUBMISSION OF CONTRACTS/MEMORANDUM: COMPLIANCE WITH
EXECUTIVE ORDER (EO) NO. 423 S. 2005

Date : 20 September 2021

Relative to E.O. No. 423 S. 2005 in which it requires a copy of government contract worth at least P300M to be submitted to NEDA, TIEZA is asked to submit the same but only for those that have been signed/approved for the period covering CY 2020 to present. Consequently, since it was unlikely that TIEZA could have entered into such contract for that period, it becomes remote that we would be expecting any submission at your end.

In this regard, if Corplan does not receive any submission or reply on Wednesday, 22 September 2021, it is deemed that no such kind of a contract for the said period has been signed/approved.

Thank you.
